WHY TEETH WHITENING IN 2026

2026'S MOST IN-DEMAND BEAUTY TREATMENT

Teeth whitening is one of the highest-demand, highest-profit cosmetic treatments in the UK - and demand continues to rise every year.

Why professionals are adding it now:

- Low running costs
- High profit margins
- No additional staff required
- Fits seamlessly into beauty, aesthetics & wellness businesses

One treatment. One client a day.

Real recurring income.

YOU DON'T NEED TO BE A DENTIST TO OFFER TEETH WHITENING

When trained correctly and compliantly, non-dentists can legally offer teeth whitening in the UK.

That's why your academy has partnered with Harley Street Smiles — the UK's only GDC-compliant teeth whitening training academy.

This ensures:

- Correct compliance standards
- Safe, professional treatment delivery
- Training aligned with UK regulations
